## STATEMENT OF SUBSTANCE OF INTERVIEW

Applicant thanks Supervisory Patent Examiner Vivian Chen for extending the courtesy of conducting a telephone interview on February 22, 2011. Present during the interview were SPE Chen and Applicant's undersigned representative. The procedural status of the case was discussed.

SPE Chen agreed that Applicant's Response submitted on October 25, 2010, to the Non-Final Office Action of September 2, 2010, (styled as a "Final Office Action," but since acknowledged as improperly being made final), is properly treated as a Response to a Non-Final Office Action. Thus, no further action is required by Applicant until a further action is issued by the Examiner.

Applicant also thanks the Examiner for explaining to Applicant's representative's assistant that the Examiner has submitted a new Office Action for processing by the USPTO on March 2, 2011.
